Unchain Charleston is “breaking the chains and improving the lives of dogs in the Lowcountry. Fences give freedom!” Unchain Charleston is a concerted effort to spread awareness about the plight of chained dogs and to build fences for chained dogs in the Lowcountry. By providing an alternative to chaining, Unchain Charleston keeps dogs out of the shelter system and in their loving homes.

Any donation helps. Please visit www.pethelpers.org to learn more about Unchain Charleston. If you are interested in becoming a sponsor, please contact sponsor@pethelpers.org
