When I founded Pet Helpers in 1978, I could only imagine it would turn into the incredible community shelter it is today. In 42 years, Pet Helpers has saved more than 49,000 animals—a feat I could not have accomplished alone. With the help of many friends, donors, and community business supporters, we have changed the landscape of animal rescue in Charleston and paved the way towards ending the euthanasia of adoptable pets.

In 2019, we saved many lives, provided much needed services to the public, and continued to make a lasting imprint in the Lowcountry as a friend to people and animals alike. Working with our partner shelters and answering public calls for help, Pet Helpers took in more than 1,200 animals. Through the dedication of our Unchain Charleston team, we gave 150 dogs a better life. We continue to cultivate meaningful relationships with their owners to change their perspective on chaining dogs. Through the Pet Food Bank, we fed pets in need so their owners were not forced to make difficult decisions. And through the Spay/Neuter Clinic, we were able to provide affordable, preventative veterinary care to the community and keep those pets where they belong—at home.

Pet Helpers enjoyed the success of many events in 2019, including our signature Oyster Roast, Race for the Paws, and of course the annual Fur Ball Gala. Not only do these events provide critical funding, they also give us an opportunity to engage with you, our donors, and have a little bit of fun while supporting our shelter.

While our work can be challenging at times, we find continued inspiration in sharing our love and commitment to animals with our community. Without you, we would not be able to continue our mission. Our animals rely on us, now and always; we are their voice and we look forward to an even brighter future for them!

From the bottom of our hearts, THANK YOU for another year of saving lives!

Carol Linville
Founder, Board President
Pet Helpers Spay/Neuter Clinic

**OPEN TO THE PUBLIC**

Pet Helpers Spay/Neuter Clinic is dedicated to providing medical care to the animals of Pet Helpers, and to providing affordable, preventative veterinary care to the community. Please note, for reporting purposes, TNR (feral) cat services are included in public surgery and vaccine numbers.

Pet Helpers Adoption Center

SAVING LIVES SINCE 1978

Pet Helpers Adoption Center makes a commitment to each and every animal that comes through the doors, regardless of financial or time constraints. Whether the animal comes from a partner shelter, an owner surrender, or found as a stray, we are dedicated to finding our animals a loving forever home.

**SAVING LIVES SINCE 1978**

---

**UNCHAIN CHARLESTON**

The Unchain Charleston program spreads awareness about the plight of chained dogs, and provides an alternative for them in the Lowcountry. Dedicated staff and volunteers build fences and enclosures to liberate dogs from a life on chains. In doing so, Unchain Charleston is able to connect with members of the community, provide a higher quality of life for the dogs, and prevent them from entering the shelter system.

**PET FOOD BANK**

The Pet Food Bank was established to help provide pet food to families/individuals considered to be low-income, and on a case-by-case basis for those experiencing temporary challenges. **In 2019, 45,000 pounds of pet food was given out through this program.** In doing so, we are able to help keep animals in their homes and help avoid owner surrenders.

**TRAP-NEUTER-RELEASE (TNR)**

TNR is an effective way to manage feral cat colonies without harming the cats. Our TNR program offers assistance through trap rentals, spay/neuter surgeries, vaccines, and other supportive resources. Through this program, we can help reduce the amount of stray cats in our community.
Fundraising Events

Pet Helpers hosts annual fundraising events that raise critical funding for animal care and shelter programs. The annual Fur Ball is our largest and most profitable fundraising event and attracts more than 200 guests.

TRAVEL MAKES IT HOME

Travel was brought to Pet Helpers in April of 2019, when a good samaritan found him in a shopping plaza living off scraps and in rough condition. Travel was about 10 years old, malnourished, and tested positive for heartworm. The staff at Pet Helpers started him on treatment, and began helping him gain weight and socialize. With love and care, Travel's easygoing and sweet personality began to shine. Yet, with his age and heartworm status against him, Travel stayed at Pet Helpers for two months--double the average length of stay for an animal. Travel was featured on social media, and in the the news to no avail.

When Travel's forever family came to visit Pet Helpers, they found him and fell head over heels in love! Travel went to his forever home on June 17, 2019, and even took his favorite Christmas bed with him. Travel is currently living his golden years in the lap of luxury!

Travel is one of many animals that Pet Helpers has found forever homes for, no matter how long it takes!
FREEDOM'S RIDE TO FOREVER

In January 2019, Pet Helpers was contacted by the Humane Society of the United States with a plea to take a dog who had been seized in a dog fighting case. Freedom was in horrible condition, very pregnant, and ready to whelp at any moment. Pet Helpers arranged transport, and placed Freedom in a foster home where she gave birth just days later. Freedom nursed her puppies, and all were adopted. But, Freedom's story wasn't over.

Freedom was suffering from Babesia, a parasitic disease commonly transmitted through ticks. Babesia can be life threatening, and Freedom's treatment lasted over 8 months! When she finally received a clean bill of health, her incredible foster family just couldn't bear to part with her. So, they made it official: Freedom's foster became her forever.

Freedom is one of many animals Pet Helpers takes in, and makes a commitment to regardless of time or financial constraints.

Because of our generous donors, we continue to save animals like Freedom & Travel!
CAESAR'S 15 MINUTES
OF FAME & FORTUNE

Caesar arrived at Pet Helpers in 2019 from a partner shelter. He was extremely malnourished and underweight. On average, a male Great Dane can weigh between 120-200 lbs. and Caesar weighed only 80 upon arrival. The Pet Helpers team worked tirelessly to help him gain strength and weight over several months. Caesar’s incredible disposition shone through, and captured the hearts of all he met.

In September of 2019, Caesar was chosen to be part of Discovery Channel and Subaru’s “Underdog Campaign” after overcoming a life of neglect. The first commercial to feature Caesar was aired in October 2019. When his adopter saw the first video, it was love at first sight!
Unchain Charleston is an outreach program that serves some of the most underprivileged, and most at risk canines within our community. The program continues to thrive and is 100% volunteer based, with oversight by Shelter Manager Judy Oswald. Volunteers work as scouts for potential candidates, as construction teams to build and maintain enclosures, and as follow-up teams to ensure every animal receives proper care, medical care, and enrichment for the duration of their lives.

Unchain Charleston continues to advocate within our community to change the current laws, which define these canines as property and allows them to be tethered outside, 24/7, with minimal shelter. Until these laws have been changed, Unchain Charleston will do our part to protect the canines of the Lowcountry which need help the most.

Pet Helpers Volunteers gave 14,427 hours in 2019! Thank you for making a difference!

OUR MISSION

To end euthanasia of all adoptable cats and dogs by keeping all animals until adopted; providing low-cost spay/neuter surgeries; offering humane education programs; pursuing animal-cruelty prosecution; and initiating animal welfare legislation.

THANK YOU TO OUR 2019 COMMUNITY SPONSORS!
